

Travel Certificate

This certificate should be printed and completed by a GP before travel.

The holder of this Certificate suffers from a life threatening allergy which could result in an anaphylactic reaction.

He/she needs to carry an adrenaline auto-injector for immediate emergency self-treatment. For this purpose, it is essential for the patient to carry their auto-injector device with him/her at all times including whilst on an aircraft.

The **EpiPen®** (adrenaline) Auto-Injector or **EpiPen® Junior** (adrenaline) Auto-Injector does not endanger other passengers or flight personnel.

Please be aware of this traveller's health risk.

Reporting of side effects

Reporting suspected adverse reactions after authorisation of the medicinal product is important. It allows continued monitoring of the benefit/risk balance of the medicinal product. Healthcare professionals are asked to report any suspected adverse reactions via the national reporting system HPRA Pharmacovigilance, Website: www.hpra.ie

Adverse reactions/events should also be reported to the marketing authorisation holder at email address: pv.ireland@viatris.com or phone 0044 (0) 800 1218267.
